

HENRY SCHEIN®

Presents

AI IN DENTISTRY

From Understanding
to Implementation –
A Practical Guide for
Dental Professionals

Category 1
Approved by the RCDSO

Course Description:

Join us for a transformative full-day course designed to equip dental professionals with the knowledge and skills to integrate Artificial Intelligence (AI) into their practices effectively and responsibly. Led by Dr. Peter Fritz, a leading expert in AI and dentistry, this course combines foundational AI concepts with practical applications, ensuring you leave with actionable insights.

Dr. Peter Fritz

LL.M., Ph.D., F.R.C.D.(C), F.A.C.D., M.B.A., D.D.S.

A global leader in AI-driven healthcare education and digital innovation, Dr. Fritz integrates artificial intelligence, clinical excellence, and ethical governance to shape the next era of medical and dental education.

With over 20 years of transformative contributions across clinical practice, research, and academia, he is advancing AI adoption in healthcare training, digital patient care, and regulatory frameworks.

Dates:

Henry Schein Canada

221 Jacob Keffer Pkwy, Concord, ON L4K 5T9
May 30, 2025 | 9:00 AM – 4:00 PM
July 18, 2025 | 9:00 AM – 4:00 PM

Big Red Canoe Club- The Learning Stream

1-165 Highway 20 West, Fonthill, ON L0S 1E5
June 27, 2025 | 9:00 AM – 4:00 PM
August 8, 2025 | 9:00 AM – 4:00 PM

What You'll Learn:

- **Foundations of AI in Dentistry:** Understand core AI technologies like machine learning, large language models, and computer vision, and their applications in diagnostics, treatment planning, and patient care.
- **Practical Integration:** Gain hands-on techniques for incorporating AI into diagnostic imaging, clinical documentation, and administrative workflows.
- **Ethical & Regulatory Considerations:** Explore ethical implications, including data privacy, patient consent, and compliance with regulations, to ensure responsible AI use.
- **Risk Mitigation:** Learn strategies to address AI-induced biases, data security risks, and disruptions to patient relationships.

MADE WITH AI

Seats are filling fast—secure your spot today!

60+ Days Before the Event: Save 20% → \$799 + HST
30–59 Days Before the Event: Save 10% → \$899 + HST
Last-Minute (Within 30 Days): Full Price → \$999 + HST

Key Benefits:

See AI in action through examples like AI-enhanced radiographic imaging and automated charting.

Learn practical techniques for integrating AI into your practice workflows.

Discover how AI can streamline administrative tasks and enhance diagnostic accuracy.

Gain strategies to mitigate risks, maintain patient trust, and ensure compliance with regulations.
